Fashion Forward

This new lamp, nicknamed Franz, is just a tantalizing taste of what new Texas-based couture lighting line 26th & Soho has in store. The unique shades feature designer fabrics, while coordinating crystals accent the bases for a touch of glam. Each lamp in the collection boasts intricate details, such as beaded pull chains and distinct finials. WWW.26THANDSOHO.COM

Iron Dance

This distinctive portable lamp design from Hubbardton Forge's Antasia Collection features a play of materials with weighty, wrought iron elements hand-forged and twisted into a sculptural dance. The line is designed and handcrafted domestically in Vermont. WWW.VTFORGE.COM

Green Wave

Go green with Meyda Custom Lighting's new green fused-glass mini-pendants. Choose between the Mint Green Fused Glass mini-pendant, 8 inches wide, with a Fiddlehead pattern on handkerchief glass, or the Aventurin Fused Glass mini-pendant, also 8 inches wide, with brushed nickel-finished hardware. Both are expertly crafted using innovative glass fusion techniques. WWW.MEYDA.COM

Surface Interest

New from the FDV Collection, multiple triangular faces make up this high-impact look from Archirivolto Design Studio. While produced using ancient glass grinding techniques, Deluxe is decidedly modern. Available as a pendant, ceiling, wall or table lamp. WWW.FDVCOLLECTION.COM
